**STIP AMENDMENT 98S-56-ACTION**

**ACTION UPDATE FROM NOTICE**

This item was noticed at the September 1999 Commission meeting; the Commission requested the Action Item be placed on the consent calendar as originally proposed. The Unprogrammed County Share Balance has been updated to reflect any changes made at the last Commission meeting.

**SUMMARY**

This amendment programs \$260,000 in Regional Improvement Program (RIP) funding for a roadway rehabilitation and signal upgrade project on city streets in Red Bluff in Tehama County to be combined with a roadway rehabilitation project on Route 36 programmed in the 1998 SHOPP.

**RECOMMENDATION**

The Department reviewed this amendment and found it to be consistent with the Commission adopted STIP Guidelines. The Tehama County Transportation Commission recommends approval of this amendment.

**RESOLUTION**

Resolved, that the California Transportation Commission (CTC) revise the 1998 State Transportation Improvement Program (STIP) as follows:

### **BACKGROUND**

The Department is preparing a roadway rehabilitation project on Route 36 in the City of Red Bluff, programmed in the 1998 SHOPP under PPNO 0274S with a construction cost of \$7,308,000 in fiscal year 1999/00. The SHOPP project will provide both rehabilitation of the State Highway and signal upgrades at the intersection with city streets.

This STIP project represents the City of Red Bluff's contribution to the SHOPP project to pay for the City's portion of the signal upgrades and rehabilitation work on the city streets intersecting Route 36. Under the CTC guidelines, the City can now use, with Tehama County Transportation Commission's approval, RIP funding to pay for rehabilitation on city streets. The City requested that their rehabilitation work be completed simultaneously with the SHOPP project to reduce disruption to the public.

Upon approval of this amendment, the Department will request funding for the two projects and will advertise and construct them as a single project.
